Subject: **Referral for consulting Super Specialists by RECHS Beneficiaries.**

As per extant rules, RECHS Beneficiaries are required to obtain referral from Company Doctor for consulting Super Specialists.

It has now been decided that for consulting Super Specialists who are on panel of BHEL/ attached to BHEL empanelled hospitals which are empanelled on CGHS rates/ BHEL Schedule of Rates, no referral would be required from the Company Doctor. *The requirement of referral by Company Doctor for consulting Super Specialists attached to BHEL empanelled hospitals which are empanelled on hospital SOC/ Negotiated rates would still continue.*

The above relaxation in referral for consulting Super Specialists will be restricted to those locations where Company Hospitals do not exist.

This issues with the approval of Competent Authority.
